

32nd Annual Coffin Family and Friends
kuyahooravalley.org

Oh, what a year!!! My goodness!! First, we want to take this time to thank our veterans, service men and women and first responders for protecting our way of life both here in the USA and around the world! And this year we celebrate the essential workers who have been and continue to rock the world with their selfless acts during this unprecedented pandemic!

Although this year has been more unique than any other, we celebrated the CFF the weekend of July 18th to July 20th with several small gatherings around the country and a big Fireman's Band rendition via zoom to end the day on July 19th!! Our goal, as with any year, was to continue our tradition of enjoying a day of camaraderie and fellowship and keeping our act of giving back to those in need rolling along as strong as ever!! To that end, we were very successful as \$19,526 was raised, in part, to help the following beneficiaries!!

2020 BENEFICIARIES

Tim Powers Stroke Fund/Conner Maxwell Cancer Fund

Trey, Alana, Jasper, James Stack Trust Fund/Masonic Temple Operations Fund

\$3,500 was given to each beneficiary and the rest will help support other individuals, causes and organizations in the coming year!

I'd like to take this time to remember my father-in-law, Jack Bowers, (Fireman's Band founder and CFF Champ) who was a big supporter of the Kuyahoor Valley Foundation and enjoyed many a good time at the CFF, Toys for Tots and the legendary Andre Open!! THANK YOU for showing us how to give back, have a great time and relish our time with family and friends!! We miss you, Beano! RIP!!

On behalf of the Coffin Family and the Board of Directors of the Kuyahoor Valley Foundation we THANK YOU for your support!! We'll see you next year when we will reunite for the 33rd Annual Coffin Family and Friends week from July 12th through July 17th, 2021!! Godspeed to you all!!
