2020 MAC Daddy

TOURNEY FORMAT & RULES:

- Format: Three-Person Scramble / One-Person “Money Ball” (*Stroke Play*)
- Each team will consist of 4 players. At the start of the round, the team will assign each player a number from 1 to 4. The numbers will be used to determine the rotation order for the “Money Ball”.
- **The team will record 2 scores on each hole – a three-person scramble score and a one-person “Money Ball” score. The team score for each hole is the sum of both scores.** In order to maintain pace of play, the MAX score for either score is a triple bogey.
- Player 1 will begin playing the “Money Ball” on the first hole and keep it for the entire hole while the other three players play a scramble format.
- The “Money Ball” will rotate using the following schedule while the remaining players play a three-person scramble for that particular hole:

Money Ball Holes **:

- Player 1: 1, 5, 9, 13, 17
 - Player 2: 2, 6, 10, 14, 18
 - Player 3: 3, 7, 11, 15
 - Player 4: 4, 8, 12, 16
- ** Each team will be given **one** marked ball to use as the “Money Ball” (\$40 deposit per team at registration). The individual playing stroke play must use this original “Money Ball” (*unless it has been lost*).
 - If the original “Money Ball” is lost during the round, the player losing the ball must take a stroke penalty (*per USGA rules*) and replace the ball with another designated “Money Ball” and the \$40 deposit will be donated to charity.
 - Teams must **always** remain a three-person scramble and one-person stroke play.
 - Awards:
 - ❖ MAC Daddy Champions (*Lowest Team Score*)
 - ❖ Closest to the Pin
 - ❖ Long Drive
 - ❖ Rookie of the Year Award
